25X1 [REDACTED] Dr. Charles Reichardt, Director, Division of Intelligence, AEC, called to say that today Mr. Howard Brown, Assistant General Manager of AEC, had responded to a recent query from John Conway, of the Joint Committee on Atomic Energy staff, with a letter stating that the AEC had reviewed in the State Department a number of documents which [REDACTED] found nothing therein of atomic significance. Dr. Reichardt added that he understood that Carl Waske (Assistant to the Secretary of Defense for Atomic Energy) was writing a similar letter to Conway.
